

COUNTY OF SAN DIEGO • DEPARTMENT OF PLANNING AND LAND USE
BUILDING DIVISION

NOTICE OF REQUIREMENT FOR SPECIAL INSPECTION

Do Not Remove From Plans

Job Address _____ Plan Check No. _____

Owner _____ Address _____

You are hereby notified that, in addition to the inspection of construction provided by the Department of Planning and Land Use, Building Division, an approved Registered Special Inspector is required to provide continuous inspection during the performance of the phases of construction indicated on the reverse side of this sheet.

The Registered Special Inspector shall be approved by the Building Official prior to the issuance of the building permit. Special Inspectors having a current certification from the City of San Diego are approved as Special Inspectors for the type of construction for which they are certified.

The inspections by a Special Inspector do not change the requirements for inspections by personnel of the Building Division. The inspections by a Special Inspector are in addition to the inspections normally required by the County Building Code.

The Special Inspector is not authorized to inspect and approve any work other than that for which he/she is specifically assigned to inspect. The Special Inspector is not authorized to accept alternate materials, structural changes, or any requests for plan changes. The Special Inspector is required to submit written reports to the Department of Planning and Land Use, Building Division of all work that he/she inspected and approved. The final inspection approval will not be given until all Special Inspection reports have been received and approved by the Department.

All reports are to be submitted in duplicate to the Ruffin Office, addressed to the attention of: The Building Official.

Please submit the names of the inspectors who will perform the special inspections on each of the items indicated on the reverse side of this sheet.

If you have any questions, please contact the undersigned.

Please identify all correspondence by use of the Plan check Number shown above.
